

Heidi Potter Connection Clinic

Creating Harmony with Horse Speak® & Centered Riding©

Hosted by Ed Dabney Gentle Horsemanship-Mansfield, GA

August 1-4, 2024 Thursday 6-7:30pm Fri/Sat/Sun 9:30-5:30

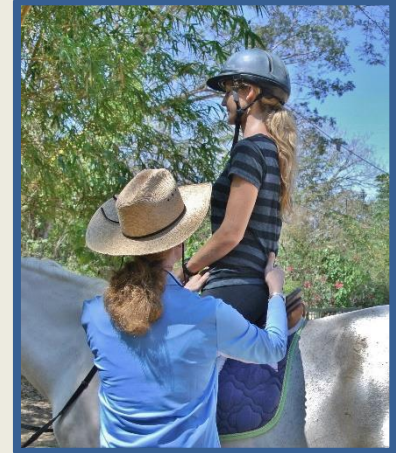

Discover what horses' value most and how to offer them calmness and leadership in their own language.

Insightful, Educational & Fun!

Heidi brilliantly combines Horse Speak, (*Precise Equine Body Language Skills*) & Centered Riding to create a unique, one-of-a-kind clinic experience for all levels and disciplines of riders. The result is safer, calmer, more enjoyable interactions for horses and riders.

Horse Speak is "the missing link" in horsemanship practices today. It is communication, not training, and is guaranteed to enhance everything you do with horses, from pleasure riding, to ranching, to competition.

Centered Riding improves comfort, balance, communication, and confidence for both horse and rider. The CR Basics of Soft Eyes, Breathing, Centering & Balance, help create harmony and ease of movement in the saddle.

Improve Balance, Security, Connection, & Communication with Centered Riding.
